DAWN OF THE NESSA (PAPERBACK)

Team Earth Legend, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.After an eventful day at work where she poisons the boss upon quitting her job, it is time for Vanessa to put this day behind her. It is time for her to kick back and relax. It is her birthday and she spends it with a crowd of friends at a ranch deep in the woods. Great music, drinks and some good laughs highlight this evening which is sure to be the talk of the small town of Loveston for some weeks ahead. But a couple hours in, the party is crashed by a mob full of people. Well, not people, they used to be at least. These head-bobbing, red-eye-twitching, growling creatures are thirsty for human blood and hungry for human flesh. Vanessa must go from birthday girl to birthday hero.
