RETAIL THERAPY (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It is possible that we all need a little Retail Therapy in our lives. But just in case you aren't sure if this book is for you, I have a scientific checklist below to help you decide if you qualify for therapy. Here are the categories: 1.) You HAVE owned or CURRENTLY (God bless you) own a retail store. 2.) You have EVER, even once shopped at a retail store. 3.) Your spouse has shopped at a retail store (even if you sat outside holding the bags.) 4.) You are ALIVE. If you answered yes to any of the above, this book is for you. And what is inside these pages could change your life for the better. You will learn how to be a better shopper, spouse of a shopper, or if you are the owner of a retail business, it will help you know you are not alone when you want to poke your own eye out with a stick some days. I hope you fit into at least one of them, maybe even more, because the following pages have some real nuggets for life. But then I also recognize that these categories are just my recommendations and I know there are rule breakers out there. You know who you are. You are the one who says To hell with the categories! I'm gonna read this book and no one can stop me! And I say good for you! Go for the gusto! Grab life by the horns! Swim upstream, you salmon! Huzzah! Huzzah! THIS is why we are having a Retail Therapy session. You're welcome.
