Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Who Is to Blame? Or Cursory Review of American Apology for American Accession to Negro Slavery Lord Brougham be aught else than an instance of the vulgar artifice with which a fawning pleader attempts to seduce the ear of a judge - if Lord Brougham previously believed or has subsequently acquiesced in the statements thus coupled with an appeal to his name, - he is a most ignorant and credulous statesman, remiss to ascertain truth, little acquainted with the history Of his country, and little careful Of her honour. He needs no protestation from me that the very reverse of all this, is the character which he actually sustains. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
