Reviews

Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Kaycee McGlynn)

THE WOVEN PATH (WYRD MUSEUM)

Scholastic, Inc., 2004. Trade Paperback. Book Condition: New. 0439709768 Neil's father has accepted a live-in job as the caretaker of the Wyrd Museum, an old house full of strange and macabre objects that is owned by three elderly sisters who are as disconcerting and fearful as the exhibits. While roaming in the Special Collections Room, Neil encounters a talking teddy bear that blackmails him into traveling back to the Blitz in London in order to rescue his four-year-old brother, Josh, who had been tricked by the magical bear. As Neil and Ted maneuver around London, meeting American soldiers, local people, and even a German spy, a demon breaks loose from the museum into the past as well, and, suddenly, in order to save the future and change the past, they must recapture it.
