

The Trials of Laura Fair: Sex, Murder, and Insanity in the Victorian West

Filesize: 1.97 MB

Reviews

The ideal publication i at any time read through. It really is writer in easy phrases and never difficult to understand. Its been designed in an remarkably easy way which is merely right after i finished reading through this publication by which actually transformed me, affect the way i think.

(Jaqueline Flatley)

THE TRIALS OF LAURA FAIR: SEX, MURDER, AND INSANITY IN THE VICTORIAN WEST

The University of North Carolina Press, United States, 2015. Paperback. Book Condition: New. Reprint. 235 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.On November 3, 1870, on a San Francisco ferry, Laura Fair shot a bullet into the heart of her married lover, A. P. Crittenden. Throughout her two murder trials, Fair's lawyers, supported by expert testimony from physicians, claimed that the shooting was the result of temporary insanity caused by a severely painful menstrual cycle. The first jury disregarded such testimony, choosing instead to focus on Fair's disreputable character. In the second trial, however, an effective defense built on contemporary medical beliefs and gendered stereotypes led to a verdict that shocked Americans across the country. In this rousing history, Carole Haber probes changing ideas about morality and immorality, masculinity and femininity, love and marriage, health and disease, and mental illness to show that all these concepts were reinvented in the Victorian West. Haber's book examines the era's most controversial issues, including suffrage, the gendered courts, women's physiology, and free love. This notorious story enriches our understanding of Victorian society, opening the door to a discussion about the ways in which reputation, especially female reputation, is shaped.
