Everyone in Peter Powers family has super awesome superpowers - except Peter. All he can do is make ice cubes and flash freeze little stuff. As if that wasn't enough, Boulder City is being raided by robots! When his parents are captured, will Peter and his siblings be able to work together and save the day? Or will the town--and possibly the world--be iced? Join Peter Powers and his fantastic family for their second action-packed and fun-filled adventure to find out! This is the second in a new chapter book series of exciting stories about a young boy who has the worst superpower ever. Each story is full of humor, action, and fun, but the charm can be found in the heartfelt message about the power of family, friends, and having confidence.
