

## Mnemonics for Study (Paperback)

By Fiona McPherson

Wayz Press, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Being a successful student is far more about being a smart user of effective strategies than about being 'smart'. Indeed, we can predict how well a student will do simply on the basis of their use of study strategies. While mnemonics don't help you understand your material, they do help you remember those many details you need to achieve expertise in a topic ? details such as technical words and lists of principles. They can also help you remember tags or labels that trigger recall for meaningful information, which is particularly useful in situations such as exams or public speaking. While you can find basic information on mnemonics in many books and websites, this concise book goes far beyond the same tired descriptions, using the latest research to explain exactly how these strategies work and are best used. The hardest part of permanently improving your memory is changing your habits and becoming an effective user of effective strategies. The best way to do this, research has shown, is through understanding how different strategies work, and when and how to use them. Through...
