Lost in the Hellhole is the story of a man and his two young son s survival in the wilderness of Oregon during the worst blizzard in many years. How could William, Chris, and Joe know that a one-day hunting trip in the mountains of Oregon and a sudden change in the weather would impact an entire community? How did they know that a few short years later one of them would face tragedy? As their adventure unfolds, you will learn how they worked together and managed to survive against all odds. You will read about William s growing up years and the survival mechanisms he learned during the hardships he experienced as a child. These were the very skills that would save their lives in the rugged mountains of Oregon. William shares his struggle with his pride and how it has hindered him at times. This is a true story about a man s faith in God and his genuine love and concern for his family.
