

Leverage: How Cheap Money Will Destroy the World

By Karl Denninger, Charles Hugh Smith

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. How the wealthy and powerful abuse finance to skim immense profits Debasement of the dollar as a result of ill-use of leverage is destroying the global economy, and in Leverage, well known market commentator Karl Denninger follows the path of money throughout history to prove that currencies are debased when moneyed and powerful interests pull the levers of government and policy to enrich themselves at the expense of the masses. The result is ugly: the value of everything including gold falls, and even personal safety is at risk in a world where there is limited money even for essentials like food and fuel. History is littered with the collapse of monetary and economic systems from Rome to Germany to Zimbabwe. Presents an inside look at how moneyed and powerful interests debase the dollar through the willful and intentional failure to honestly represent short and long-term mathematical truths that underlie all economic systems Shows how, if imbalances are not corrected, financial crises will reoccur again and again Authored by Karl Denninger, who has been running the popular website The Market Ticker since...
