THE ASCENSION: A SPIRITUAL GUIDE FOR PEACE, POWER AND PURPOSE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Did you pray today? How often do you pray? How much time did you dedicate to commune with God daily? Without question, God is most deserving of our love and attention. Still, he receives the least of our time and the least of our devotion. In The Ascension, author Cortney Bonner offers his praise to God with prayers and devotion while encouraging readers with practical spiritual insights. The Ascension reminds believers of the importance of the development and maintenance of a healthy relationship with our Creator. This uplifting text examines man's restless nature and the reason why his search for the peace missing in his life is never ending. Bonner insists the food, sex, drugs and all other material trappings of the flesh we consume to fill the void and incomplete feeling we experience in our lives, will never yield the sustenance we need to feel complete. In spite of our constant search, Bonner claims we blatantly neglect to look within ourselves to rediscover the spirit, hidden deep within beneath our doubts, fears and insecurities that is connected to the provider of the peace we seek. The Ascension clearly identifies praise and prayer as the means to be used to commune with God. Bonner asserts that He is the missing peace that removes distress, disorder and dis-ease and restores discipline, discovery and discernment of God's will.
