## A NEW WORLD DISCOVERED

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.PREFACE I. The New Earth. This little work is put before the public as a brief introduction to what must ultimately prove to be one of the most revolutionary discoveries in the history of the human race. In presenting this discovery I make no claims to any special revelation of Truth hitherto withheld, but I do maintain that for some unaccountable reason there has been in the world of science an astonishing marvel of oversight, in that scientific thinkers have never subjected the surface of our earth to a rigid, rational and thorough examination in order to ascertain its true contour. Thousands upon thousands of careful and painstaking observations of the heavenly bodies and of their movements have been made with powerful telescopes, ingenious spectroscopes, and with many other instruments, - the best and most accurate that human ingenuity could devise; yet, when we come to look for records of equally careful and painstaking examinations of the earth s surface, we fail to find any, for the simple reason that no such examinations have ever been made, - or, if they have, the scientific world, and hence the public in general, has never had the benefits of them. I have done what any normally intelligent person would have done, had the thought occurred to him: refusing to accept for granted all the teaching of our modern scientific text-books concerning the nature of the universe, I have made a series of observations of various phenomena at the earth s surface itself, more especially over bodies of water where a better study of the phenomena may be carried on. The results of these observations are briefly set forth in this..
