PERPETUAL UNIVERSE THEORY: (WAS IT REALLY A BIG BANG?) (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. No one really knows when the beginning was. I assume there was never a beginning, because there has always been matter and it cannot be created or destroyed. So that ends the debate of the beginning. So let s begin with the beginning of God creating all living things on earth and he gave each it s color and form. We do not know why he gave each thing it s specific color and form, but I believe he gave each thing it s color for a reason to camouflage or protect it from danger or to blend in with it s surrounding in his own grand wisdom. The color of black and white are present in most species; in some instances black and white are both given to them (like in a zebra). The color of being black is not a curse and that s a fact; as some may believe. However, some authors may say his or her writing is inspired by God. It is up to the reader to accept or reject that concept to be believable or just a fictitious creation of his or her work. This book s purpose is to inform and educate people of the World on how evolution might have really began and evolved into the World of today. Once the facts are presented in an intelligent and intellectual manner to fully understand how exploitation and manipulation has been inflicted upon humans; I believe a person should scrutinize any and everything that is printed and digest it with an open mind to challenge or accept it as the truth or a lie. One of the greatest thing God gave us was...
