

Tales of Trail and Town (Hardback)

Filesize: 5.4 MB

Reviews

This type of book is every thing and made me seeking forward and more. It is amongst the most awesome publication we have go through. Its been developed in an exceptionally straightforward way and it is only soon after i finished reading this ebook by which actually altered me, alter the way i believe.

1st World Publishing, 2008. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It must be admitted that the civilizing processes of Rough and Ready were not marked by any of the ameliorating conditions of other improved camps. After the discovery of the famous Eureka lead, there was the usual influx of gamblers and saloon-keepers; but that was accepted as a matter of course. But it was thought hard that, after a church was built and a new school erected, it should suddenly be found necessary to have doors that locked, instead of standing shamelessly open to the criticism and temptation of wayfarers, or that portable property could no longer be left out at night in the old fond reliance on universal brotherhood. The habit of borrowing was stopped with the introduction of more money into the camp, and the establishment of rates of interest; the poorer people either took what they wanted, or as indiscreetly bought on credit. There were better clothes to be seen in its one long straggling street, but those who wore them generally lacked the grim virtue of the old pioneers, and the fairer faces that were to be seen were generally rouged. There was a year or two of this kind of mutation, in which the youthful barbarism of Rough and Ready might have been said to struggle with adult civilized wickedness, and then the name itself disappeared.
