I LIKE TO LEARN COLORS: CURIOUS PENGUIN

WS Publishing, United States, 2011. Board book. Condition: New. Language: English . Brand New Book. The US Census Bureau estimates that over 8 million children enroll in nursery school or kindergarten every year. The educational success of these children depends largely on their knowledge of the alphabet, numbers, colors, and opposites. I Like to Learn Colors: Curious Penguin teaches children these fundamental skills in a fun, playful, yet very effective way. This whimsically illustrated book will help children learn their colors with rich and colorful depictions of birds. I Like to Learn Colors: Curious Penguin is a heartwarming tale that teaches children colors. In this story a little penguin knows only a world of black and white until a rainbow-colored feather falls from the sky. After seeing this magnificent feather, the penguin wishes that he could be colorful as well. In addition to teaching the different colors, this story promotes self-esteem and acceptance. With beautiful hand-drawn illustrations, it s a fun and exciting way of learning opposites that kids will never tire of.
