

## Kid Rock

Filesize: 6.03 MB

### **Reviews**

*A must buy book if you need to adding benefit. It is really simplified but shocks in the 50 percent of the pdf. I found out this pdf from my i and dad recommended this publication to learn.*

## KID ROCK

[DOWNLOAD](#)

Alphascript Publishing Jan 2010, 2010. Taschenbuch. Condition: Neu. Neuware - Robert James Ritchie (born January 17, 1971), known by his stage name Kid Rock, is an American singer-songwriter with five Grammy Award nominations. Kid Rock is known for music that fuses rap with heavy metal, blues rock, southern rock, funk and country music. Kid Rock released several studio albums that mostly went unnoticed before his 1998 record *Devil Without a Cause*, released with Atlantic Records, sold 11 million albums behind the hits, 'Bawitdaba', 'Cowboy,' and 'Only God Knows Why'. In 2000, he released *The History of Rock* which was a compilation of remixed and remastered versions of songs from his previous albums as well as the single, 'American Bad Ass'. In 2001, he released the follow up, *Cocky*. After a slow start, his country-flavored hit 'Picture' with Sheryl Crow resurrected the album and it went gold as a single and pushed the album's sales to more than 5 million. It was followed by 2003's self-titled release, which failed to chart a major hit. In 2006 he released *Live Trucker*, a live album. In 2007 Kid Rock released *Rock N Roll Jesus*, which produced a hit in 'All Summer Long'. 152 pp. Englisch.
