Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

I bet you it must have been him, Larry! he said, in a voice loud enough to be heard on shore; and then turning to the sheriff he went on: Some sort of critter sneaked into our boat last night, sir, and made way with a lot of our grub. Guess it must have been the runaway you mention. And my goodness! did you hear him say it was a desperate convict, Phil cried the innocent Larry, showing all the signs of alarm. Why, he might have murdered us while we slept! Oh! what a narrow escape! They were now opposite the sheriff, and still drifting with the current, though held back by the turning of the screw.
