To Save America from itself and restore the Republic came a Military coup d etat. FIVE STARS - By Jay L. Specht - Critic with Books The Author has a clear view of our current situation in this country and how we got here and his delivery is focused and compelling. There was not a moment in the book where my interest or attention waned. From the first paragraph to the last twists you ll understand why the time came to depose a corrupt elitist government absorbed with a vile and unquenchable lust for absolute power. The Crucible of Decline is a fictional story revolving around the eventual collapse of the US dollar and how the general decline of the culture has caused and brought about a corrupted Federal Government headed by one President Carson B. Archer who declares a national emergency using an obscure act of Congress resurrected from the cold war era which allows the president to run the nation as a dictatorship. As the story expands, calamity overwhelms all domestic life and disrupts the international balances to a dangerous and explosive level. The roots of this fictional prediction are the destruction of the four pillars of America*s greatness: Cultural, Political, Economic, and Military. The story culminates into an all too possible prediction of what could happen as a result of present day government policies. Paramount is the cultural decline well documented and critiqued now well underway in the early 21st century and thus corrupting the political pillar which will soon collapse the economic pillar leaving only the military pillar standing under siege but ready to strike back. The story is supported throughout with commentary,...
