A Bear s Heart tells the story of Rachel and her constant companion, Bear. Rachel and her family live on a small farm in Fauquier County, Virginia. With few other children living near them, Rachel discovers a friend within the heart of a large and wise stuffed bear. A Bear s Heart speaks in both Rachel s and Bear s voice to describe their shared adventures. Rachel learns to share and care for her sister, Kate, with a little help from Bear. This is a gentle story of farm family life and the strong bond between a child and her bear. As Rachel s parents we wanted to capture a place and time in our daughter s childhood where reality and imagination come together. A Bear s Heart is a postcard from a simpler time to our children s children.
