

Jewelry Maker s Field Guide (Paperback)

By Helen I. Driggs

Interweave Press Inc, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Discover a thorough reference guide to metalworking tools and techniques with multiple demos, tutorials, cross-references, and supportive skill-building exercises and projects. Helen I. Driggs, senior editor for Lapidary Journal Jewelry Artist , brings her down-to-earth approach and strong metalworking knowledge base to this overview of basic and not-so-basic metalworking techniques. The Jewelry Maker s Field Guide walks you through the variety of metalworking tools available and offers guidance on setting up a studio, buying and organizing supplies, and determining what tools to buy and when. Organizing tools by basic functions, Helen offers a solid and logical overview of metalworking techniques and teaches sets of related skills, showing how different tools can sometimes achieve the same end. Each chapter includes stepped demos and applied techniques for using particular tools. The book culminates in projects that combine a variety of techniques and allow the reader to further apply and practice their metalworking skills. Get a solid foundation for understanding the basic (and not so basic) processes of metalwork!.

Reviews

I actually started out reading this book. It can be packed with wisdom and knowledge I discovered this ebook from my dad and i suggested this book to understand.

-- Prof. Barney Harris

An exceptional ebook along with the typeface applied was intriguing to read. It is definitely simplistic but unexpected situations within the fifty percent of the publication. You are going to like just how the writer publish this pdf.
