

The Elements of Philosophy (Paperback)

By William OP Wallace

Wipf Stock Publishers, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Description: The author presents in this single volume a complete summary of philosophy and its history, specially designed for the student majoring in philosophy or the seminarian who needs philosophical knowledge for his work in theology. The book is keyed to the New Catholic Encyclopedia, where fuller expositions and bibliographies of the topics treated may be found. The work is divided into three parts, the first two being systematic and the third historical. Part I summarizes the basic content of what is called scholastic philosophy, logic, natural philosophy, psychology, metaphysics, epistemology, natural theology, and ethics. Part II surveys the more recent philosophies of the specialized disciplines, that is, the various humanities and sciences, from language and art to social and political thought. Part III gives a synoptic account of the history of philosophy, from the beginnings of the discipline to its most contemporary developments. The presentation is simple and clear, yet it is accurate and completely authoritative. About the Contributor(s): William A. Wallace, OP, author of sixteen books and over three hundred scholarly articles, taught at various Dominican Houses of Studies...
