Tenacious Bulldogs is the story of two young reporters, who work together to expose a highly unlikely, but truly disturbing, covert operation by the Central Intelligence Agency. When their puzzling and often obstacle-laden investigative journey begins, Nicole Robins, a young, general assignments reporter for a daily newspaper in Savannah, Georgia, and Rick Scott, the newest Pentagon correspondent for one of the national television networks, are working on two, seemingly-unrelated news stories. Nicole, who looks like a beauty queen but pursues news like a bulldog, tries to write a story about a routine emergency landing of a civilian cargo plane at the local airport. When she does, she discovers that the Army, Air Force, and the CIA are trying to cover up the incident. At the same time, working on an investigative report about government wrongdoing in Washington, Rick finds that there could be a connection between their two stories. As they begin to peel back the layers of a covert operation, the two reporters meet a number of interesting characters along the way - an unlikely CIA operative, guided by the spirit of his dead grandmother to do the right thing; the Sheik of a newly founded country in the Middle East, who unknowingly may have helped arm terrorists in the region; and a managing editor who s spent most of her life believing she is Nellie Bly incarnate. By connecting a myriad of seemingly unrelated pieces of information and refusing to be stonewalled, Nicole and Rick ultimately...
