HEART OF THE BISON: NEANDERTALS BOOK ONE (PAPERBACK)

Glen R Stott, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. As the lambent light from the slumbering fire dances across the roof of the cave, a young girl wakes from a dream. Kec s dream tells her that her clan is in jeopardy, and Mother Earth expects her to do something to save her people. A magic child will be sent to help her. Far away, Strong Branch, a powerful Shaman of his people, has his own dream. The Great Spirit sends him a warning about a future of conflict and killing. Kec s people are very simple, but they are strong and powerful enough to have survived the ice ages of Pleistocene Europe, by force, for over one-hundred-thousand years. Strong Branch s people are late comers from an alien world far to the South. They bring an advanced technology that allows them to utilize the environment to ways Kec s people never could. As the population of the aliens has grown over a period of more than twenty-thousand years, the stress on the environment has become critical. Kec and Strong Branch must play their parts in a microcosm of the greater struggle for survival. The conclusion of their struggle will establish a new story and a new history for each of their peoples.
