DEFEATING DEBT (PAPERBACK)

Xulon Press, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is about facing giants-financial giants. You may doubt that you can defeat the giant debts you are facing right now, but you can become debt free sooner than you think. If you are facing giants like these, you are not alone. More people today are filing for bankruptcy than ever before. Households are carrying more heavy debt load and are getting buried under by it. There is a way out however. Reading Defeating Debt will give you the tools you need to rise up and defeat those financial giants just as David of old defeated the Philistine giant with a single stone from a simple slingshot. Chris Kidd urges the reader to follow the practical steps outlined in this book in order to realize victory over your finances. Don t let money control you. You can be in control. For many who are stuck in debt there is not a financial problem but rather a wisdom problem. Get wise! Get free! Financial freedom can be yours. Chris Kidd is no kid when it comes to giving financial advice even though he is among America s youngest businessmen. After attending University of Texas at San Antonio, Chris went on to start his first business and met a multi-millionaire, who became his mentor. He became a millionaire himself at age 24 and today is an investor, entrepreneur, financial coach, speaker and author. He owns Chris Kidd Enterprises, LLC., which offers financial coaching and consulting for start-up businesses. He lives in Houston, Texas with his wife, Katie, and their son, Tristan.
