Angels in the Architecture: A Photographic Elogy to an American Asylum (Paperback)

By Heidi Johnson

Wayne State University Press, United States, 2004. Paperback. Condition: New. Revised ed..

Language: English . Brand New Book. In the nineteenth century, perhaps no approach to mental illness was more compassionate than that of hospital administrator Thomas Story Kirkbride, whose asylum designs integrated beauty and nature as a method to treat patients. The Northern Michigan Asylum in Traverse City, Michigan, was one of the last of nearly tow hundred such architecturally intriguing asylums. Founded in 1885 under the principle beauty is therapy, the Northern Michigan Asylum closed in 1989 and today stands as a haunting reminder of this lost era. Angels in the Architecture is a photographic study of this institution s one-hundred-year history. Heidi Johnson s photographs of the building today are juxtaposed with rare images from private collections and state archives. Johnson has captured Kirkbride s spirit of compassion - of angels in the architecture - in a book that conveys the human element of mental illness with beauty and integrity.

Reviews

This ebook is definitely not effortless to get started on reading through but very fun to read through. it was actually writtern very perfectly and valuable. I discovered this ebook from my dad and i suggested this book to understand.

-- **Kaden Daugherty V**

The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.
