

## Report of San Francisco Public Utilities Commission: Fiscal Year 1941-1942 (Classic Reprint) (Hardback)

By Public Utilities Commission

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Report of San Francisco Public Utilities Commission: Fiscal Year 1941-1942 The net sales for water during the year were which was an increase of over the preceding year. The increase in water consumption rose from a daily average of gallons to a daily average of over gallons. The number of consumer accounts rose to a gain of for the year. The municipal railway showed the largest increase in passengers carried, for any one year, during its thirty years of operation under municipal control; the number of passengers carried being approximately a gain of 000 for the year. One hundred thousand dollars of bond indebtedness was paid, during the year, reducing the outstanding amount to \$1 The five cent fare, with transfer privilege has been maintained, while the average street car fare throughout the United States is in excess of eight cents. The accompanying reports, attached hereto, show a marked increase in airport development since the establishment of the San Francisco Airport; the airline passengers carried, during the last year, being as compared with carried the first year of operation, ten years ago....
