Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.

Farrar Straus Giroux, 1997. Hardcover. Condition: New. Dust Jacket Condition: New. Book Description: From the internationally acclaimed author of Smilla's Sense of Snow comes a dazzling leap of imagination--a tale as sensitive as it is suspenseful, as profound as it is provocative. Madelene, the beautiful, lonely, alcoholic wife of behavioral scientist Adam Burden, is pacing the confines of their opulent London home when she comes upon her husband's secret captive. Erasmus is a 300-pound ape who, if rigorous tests prove him a hitherto unknown superhominid, will be the ruthless Adam's ultimate trophy. But Madelene, intoxicated by their encounter, sets out to unravel the web of corruption that ensnares this intelligent creature. And together, blurring the boundary between human and animal, she and Erasmus venture into an Eden of freedom and love. Only to find their future endangered by a species who would let greed and ambition destroy their fragile world. Witty, erotic, magical, *The Woman and the Ape* is a tour de force, one that offers daring new insight into our times, our illusions, and our hearts. --This text refers to an out of print or unavailable edition of this title. Ingram An emotional and erotic love affair develops between Madelene, the beautiful, disillusioned wife of Adam Burden, and Erasmus, the intelligent ape brought to the Burdens' London home after escaping animal smugglers. 100, 000 first printing.
