It is one of the most popular publications. It is really filled with knowledge and wisdom. It has been designed in an exceedingly straightforward way and it is merely soon after I finished reading this PDF by which it actually transformed me, affecting the way in my opinion.

BRF (The Bible Reading Fellowship). Paperback. Book Condition: new. BRAND NEW, At the End of the Day: Enjoying Life in the Departure Lounge, David Winter, An octogenarian takes a wryly humorous look at what it's like to be old in an era of the relentlessly new. Turning to the Bible, he explores its store of timeless wisdom, encouragement and reassurance about what it has always meant to grow old and be old. The book is structured around a series of fascinating biblical pictures, from the legendary Methuselah to the feisty Sarah and the great leader Moses, from the picture of inevitable decline as the Preacher saw it in Ecclesiastes to the glorious Nunc Dimittis of old Simeon in the Temple. 'At the end of the day' is a well-worn phrase - yet seeing life as a single day, with dawn, noon, sunny afternoon, twilight and then darkness and sleep, provides a sort of contracted chronology of a journey we are all taking. Those who are at, or beyond, tea-time - as well as their friends and family - may find this book offers an essentially optimistic, positive and attractive picture of both the present and the future.
