

## Peter Pan s Shadows in the Literary Imagination

Filesize: 4.86 MB

### **Reviews**

*This is the finest publication we have read through right up until now. Better then never, though i am quite late in start reading this one. Its been written in an remarkably easy way in fact it is only after i finished reading through this book by which basically altered me, affect the way i think.*

Taylor Francis Ltd, United Kingdom, 2014. Paperback. Book Condition: New. Reprint. 231 x 153 mm. Language: English . Brand New Book. This book is a literary analysis of J.M. Barrie s Peter Pan in all its different versions -- key rewritings, dramatisations, prequels, and sequels -- and includes a synthesis of the main critical interpretations of the text over its history. A comprehensive and intelligent study of the Peter Pan phenomenon, this study discusses the book s complicated textual history, exploring its origins in the Harlequinade theatrical tradition and British pantomime in the nineteenth century. Stirling investigates potential textual and extra-textual sources for Peter Pan, the critical tendency to seek sources in Barrie s own biography, and the proliferation of prequels and sequels aiming to explain, contextualize, or close off, Barrie s exploration of the imagination. The sources considered include Dave Barry and Ridley Pearson s Starcatchers trilogy, Regis Loisel s six-part Peter Pan graphic novel in French (1990-2004), Andrew Birkin s The Lost Boys series, the films Hook (1991), Peter Pan (2003) and Finding Neverland (2004), and Geraldine McCaughrean s official sequel Peter Pan in Scarlet (2006), among others.
