Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from My Observation Oversea So constant has been the demand of my friends and immediate family for a written account of my trip overseas, that I have prepared the following: No literary merit is claimed by the author for this little book. It is a chronological account of my observation overseas, while serving with the American Expeditionary Force during the late World War. As such, it is hoped that it will be accepted by the public. I take this opportunity of publicly expressing my appreciation for Corporal John C. Fowler, who was my buddy, advisor and companion during my entire service with the U.S. Army. Neither can I forbear mentioning the sacred memory of my brothers-in-arms, who received wounds or paid the great sacrifice over there.
