iUniverse, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*\*. Words to a writer are as exotic as spices to a gourmet cook. Writers savor the feel of the perfect verb. Writers work and rework sentences and paragraphs until each word feels right as it rolls off the tongue or the pen (or the computer). Consider yourself invited to turn the page and meet the writers who are about to entertain you. You will know them as they lead you on their adventures. They will coax you to remember a crazy character, will perhaps make you cry. And, just maybe, as they draw your rapt at-tention with their short stories, essays, and poetry, you will realize, Hey, I think I can write stories . . . I think I should join the AAUW Creative Writers group. We ll wait for your call. Special thanks go to writer and editor Greta Manville, the group s most published author, and to the members who joined me on the editing team: Vivian Wood, the group s most lettered colleague, and Bonnie Boyce-Wilson, who organized our efforts.

## Reviews

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
