SIMON SCHUSTER, United States, 2000. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.James L. Nelson s Revolution at sea saga has brought to life a never-before-seen side of America s war for independence. With the expertise of a seasoned mariner, a historian s vivid attention to detail, and a natural gift for sensational storgtelling, the American counterpart to Patrick O Brian (David Brink) carries us along on his bold and stirring course through history. After ferrying General George Washington s troops across the East River and through the hell known as the Battle of Long Island, Captain Isaac Biddlecomb receives a monumental order. He is to transport to France the most powerful secret weapon in the country s arsenal -- scientist, philosopher, and spirit of the enlightenment Dr. Benjamin Franklin. With a new team of men forging through the wintry North Atlantic, and braving the cordon of the Royal Navy, Biddlecomb s seemingly simple mission is just the first volley in a grand scheme: to topple France s neutrality by gaining its vital support, and turn the colonial uprising into a full-scale world war for freedom.
