Atlantic Publishing Co, United States, 2016. Paperback. Condition: New. 2nd ed.. Language: English . Brand New Book. Self-directed IRAs have been around for years, but they've been gaining popularity recently among do-it-yourself investors. If this type of investment appeals to you, experts warn that there aren't for everyone and there are pitfalls associated with self-directed IRAs that could end up costing you money if you aren't careful. Recently, many smart investors have exited the stock market because they have lost control of their investments. They have relied on the advice and skill of their brokers, bankers, and financial advisers. Many retirement accounts have dwindled or not increased. Fortunately, there is a great but little-understood alternative: the self-directed IRA. Here is a book that will teach you how to turn your IRA into a wealth-building tool that you control 100%! The revised 2nd edition of *Retire Rich with your Self-Directed IRA: What your Broker Banker Don't Want you to Know About Managing Your own Retirement Investments* is an updated, comprehensive, and detailed book that gives you the tools to take control of your investments. You can take command of your investment future, and make sure your investments are performing for you, not someone else. These self-directed IRAs make it effortless for you to build up and keep hold of your IRA money. In this book you'll find out how to benefit from the new IRS regulations that impact IRAs and how to stay away from problems. The self-directed IRA lets you act as your own investment manager. Learn how to set up your account with a custodian or IRA administrator to deal with the day-to-day activities, such as depositing contributions and executing and settling investment transactions. It's easy, fun, and puts you back in...
