Reviews

Totally among the best publication I actually have actually go through. It can be filled with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Glen Ernser)

Jamie Munson, United States, 2014. Paperback. Book Condition: New. 201 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The personal finance book recommended by Michael Hyatt, Lecrae, Matt Chandler, and more. Money. Cash. Coin. Bling. Scrilla. Cheddar. Dough. Whatever you call it, the god of gold promises security, peace of mind, comfort, status, freedom, and all of our wildest dreams come true. From the Bible to the Beatles, however, our culture is filled with reminders that money can't buy what actually matters in life. And yet money still keeps us up at night. People worry about it, live for it, die for it, and even kill for it. Money: God or Gift presents a better way: Get money without getting greedy Spend money without shame Save money without stressing Give money without guilt Enjoy money as a gift without worshiping it as a god You'll learn all of this and more as Jamie Munson discusses faith, stewardship, personal finance, and other money matters. Love it or hate it, we can't afford to ignore it. Master your money or it will master you. Put money in its proper place, and be free.
