Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Laraba is a gorgeously shaped bossy girl in her early teens, with highly developed bodily curves beyond her tender age and an ever present beautiful smile on an ugly face. Her nose is an extension of her forehead and her large ears are too visible from the front that they appear to be on her thin cheeks. She is the third child of four daughters, with a single brother rather belatedly bringing the rear of five siblings. Laraba was born on a Wednesday and unofficially named after the day she came into the world, like it is fashionable amongst Hausa speaking people. Laraba grew into her teens as an intelligent girl and for long periods she always had her small following of friends, who look up to her in more ways than their own respective relatives consider remotely sensible. Her earliest years are littered with troublesome revelations of her huge imaginative potentials. Adults had lots of reasons to dread the mere harmless sight of her, for she is every inch the juvenile menace. Laraba's choices neither less nor more require her to concurrently free her feminine worries of their plight of emotional suppression. This is her story of overcoming this plight, represented in her case by her six year old little brother, a man...
