A MEMOIR OF SIR SALAR JUNG G. C. S. I (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Memoir of Sir Salar Jung G. C. S. I IN October last, with the consent and approval of His Excellency, the preparation of a work giving an Historical and Descriptive Sketch of His Highness s Dominions was commenced in my office. T he want of such a compilation had long been felt, and as it had been the intention of His Highness to visit England this year, a book of reference concerning the great Province of Which he; is the hereditary ruler would have proved useful to all who desired to know something about Haidarabad and its Prince. The compilation of the work was completed a short time previous to the occurrence of the melancholy event which has led to the postponement of His Highness s tour. The majority of the following pages form a portion of the book; but as it is believed that the public would welcome a Memoir, however brief, of one who has been a conspicuous figure amongst the great men of India for the past thirty years, it was decided to print the Memoir in advance of the larger work. The latter is also in. The publishers hands, and will be issixed in the course of a month or two. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
