EARLY AFRICA-AMERICAN CLASSICS (PAPERBACK)

DOWNLOAD

Bantam Doubleday Dell Publishing Group Inc, United States, 1996. Paperback. Condition: New. Reprint. Language: English . Brand New Book. An essential collection of some of the most influential and significant writings by African-American writers of the nineteenth and twentieth centuries, this volume includes Frederick Douglass s Narrative Of The Life Of Frederick Douglass, An American Slave (1845) and excerpts from W.E.B. Du Bois s The Souls Of Black Folk (1903), Harriet A. Jacobs s Incidents In The Life Of A Slave Girl: Written By Herself (1861), Booker T. Washington s Up From Slavery (1901), and James Weldon Johnston s The Autobiography Of An Ex-Colored Man (1912). In his provocative introductory essay, Anthony Appiah explores the roots of African-American literature. He points out that writing itself was an act of rebellion for a population that assumed to be illiterate, and explains the distinctive American literary and cultural context of the time, without which these works cannot be fully understood.
