Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If you are looking for a simple weekly planner to use for home or homeschool, this is it! This planner covers 18 months, with full page monthly calendars followed by weekly planner pages. The weekly planner pages are lined so you can keep your entries neat! While these calendars can be used to keep track of events, appointments, birthdays, etc., I plan on using them to track our homeschool work. Yes, I am a homeschool mom as well and have four children that I am still homeschooling. My plan is to use one planner for each child. Lined pages are included at the back of the planner for any other items you may want to record. Since I am using these for homeschooling, I plan on have a list of books read, curriculum used that year, field trips taken, and any other special things I want to record about the school year.
