

The Picture of Dorian Gray (Fantasy Illustrated Edition) (Paperback)

By Oscar Wilde

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Illustrated. Language: English . Brand New Book ***** Print on Demand *****. In this renowned work and his only novel, Oscar Wilde paints the disturbing portrait of the effects of evil and depravity on a young dandy in late-19th-century England. Merging elements of Gothic horror and decadent French fiction, the novel centers on an arresting premise: As Dorian Gray delves deeper into a life of crime and unrefined sensuality, his body retains a flawless youth and vitality, while the recently painted portrait of himself becomes more and more a hideous evidence of evil, which he manages to keep hidden from the world. For over a hundred years this spellbinding tale of suspense and horror has enjoyed massive popularity. It is surely one of Wilde s most important writings and among the classic literary achievements of its time. This Fantasy Illustrated version is complete with over 20 Black and White Sketches from Wilde s own mystical and haunting Victorian Era. Press ADD TO CART now!.
