

It's Nice to be Alone in Paris: A Guide to the Usual and Unusual

By -

Herb Lester Associates Ltd, United Kingdom, 2012. Sheet map, folded. Book Condition: New. 147 x 76 mm. Language: English . Brand New Book. In this map we select 32 things to do in the city of light, none of which involve sharing a bottle of wine, eating bread and cheese on the banks of the Seine, or wandering arm in arm with your loved one. In fact, loved ones do not figure at all, this is a guide for the solo traveler and our suggestions are all best enjoyed on your own - although incurable romantics may wish to bring their partners too, we won't kick up a fuss. Among the highlights: a taxidermist extraordinaire, mint tea at the Grand Mosque, found photographs at Images Portraits, along with places to eat, swim, drink, buy vintage erotica and enjoy a solitary ice cream. In short, everything the intrepid visitor might require.

Reviews

It is one of the best books. Better than never, though I am quite late in starting to read this one. You won't feel monotony at any moment of the time (that's what catalogues are for regarding the events you check with me).

These types of publications are the best books available. It absolutely was written very completely and helpfully. I am very happy to explain how here is the greatest book we have studied within my individual existence and can be the greatest publication for possibly.
