

Cultural Responses to the Volcanic Landscape: The Mediterranean and Beyond (Aia Colloquia and Conference Papers, 8)

Book Review

This is the finest publication we have read through right up until now. Better than ever, though I am quite late in starting to read this one. It has been written in a remarkably easy way in fact it is only after I finished reading through this book that I basically altered me, affected the way I think.

(Dr. Gabriella Hayes)
