

The People and the Stones (Paperback)

By Heinz Winfried Sabais

Carcenet Press Ltd, United Kingdom, 1984. Paperback. Condition: New. Language: English . Brand New Book. Heinz Winfried Sabais poetry first appeared in English translation by Ruth and Matthew Mead in 1968. Reviewing Generation and other poems in Tribune , Richard Burns wrote: Whether he is concerned with public statement or private emotion, Sabais reveals himself as a commanding spokesman for individual conscience and personal commitment . The People and the Stones includes most of the poems collected in the earlier book, together with two long political poems written in the 1970s - Agenda and Socialist Elegy - and a selection from the posthumously published Self or Saxifrage , a sequence of autobiographical and historical poems written shortly before his death in 1981. Sabais distinctive gift lay in presenting the conflicts of the post-war German experience without self-pity, his style is fully conveyed in these translations by a poet of his own generation who has on occasion been surprised to find myself writing down things which, even allowing for the ventriloquist s-dummy aspect of translation, I might have written myself .

Reviews

Unquestionably, this is actually the finest operate by any publisher. I have study and i also am confident that i am going to planning to go through once more yet again in the foreseeable future. I realized this pdf from my i and dad recommended this book to understand.

-- **Gus Kilback**

The most effective publication i ever study. I am quite late in start reading this one, but better then never. You wont sense monotony at whenever you want of your time (that's what catalogs are for concerning in the event you ask me).

-- **Prof. Erin Larson I**
