HONORING GOD WITHIN (PAPERBACK)

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Your natural makeup shapes your spiritual life. This book thrusts you into your roots and innate spiritual power. Honoring God Within means The Light to see and the Strength to do are Within You. Moving from intellectual awareness to a deeper feeling awareness imparts learning and self-expansion that is difficult to define, yet goes to a profound, more real level. With your mind as servant to your larger self you awaken and flow into the Divine. God is working directly with you. Your core, where God is working, can give you peace and acceptance with joy for what happens to you, along with love for yourself and others. The scheme works by taking thoughts, feelings, premonitions, and questions already in you to use as stepping stones to flow effortlessly into the divine. How to? is clarified in such chapters as Nurturing Uniqueness, Who am I? We Lack Nothing, and Personal Pattern For Success. Ways out of traps are suggested and explained. There may be stumbling blocks on the way, but nothing that cannot be overcome because you are a singular manifestation of the divine. God is creativity; you evolve and create as His expression. Your consciousness is unlimited spirit. Only what is real lasts forever. How long before you wake up to the real? The goal is your personal fulfillment. Is your intellect sturdy enough to survive living in the heart? This book is a path with no markers and no map because there is no path to follow but your own. It challenges you to find your own path. Reading it offers an exciting destiny: walk the path and explore for yourself!.
