

## The Good Doctors: The Medical Committee for Human Rights and the Struggle for Social Justice in Health Care (Hardback)

By Professor Emeritus John Dittmer

Bloomsbury Publishing PLC, United States, 2009. Hardback. Book Condition: New. 236 x 165 mm. Language: English . Brand New Book. The untold story of the courageous doctors and nurses who fought the battle for racial justice in hospitals, in clinics, and on the streets in the 1960s. The Medical Committee for Human Rights was organized in the summer of 1964 by medical professionals, mostly white and Northern, to provide care and support for Civil Rights activists who were organizing black voters in Mississippi. They left their lives and lucrative private practices to march beside and tend the wounds of demonstrators from Freedom Summer, to the March on Selma, to the Chicago Democratic Convention of 1968. Galvanized, and sometimes radicalized, by their firsthand view of disenfranchised communities, the MCHR soon expanded its mission to encompass a range of causes from poverty to the war in Vietnam, and later took on the whole of the United States healthcare system. The MCHR doctors soon realized that fighting segregation would mean not just caring for white volunteers, but exposing and correcting the shocking inequalities in segregated health care. They pioneered community health plans and brought medical care to underserved, or unserved, areas. Though education was...
