## ARNHEIM, GESTALT AND ART: A PSYCHOLOGICAL THEORY

Springer. Paperback. Condition: New. 188 pages. Dimensions: 9.0in. x 6.1in. x 0.6in. Arnheim, Gestalt and Art is the first book-length discussion of the powerful thinking of the psychologist of art, Rudolf Arnheim. Written as a complete overview of Arnheims thinking, it covers fundamental issues of the importance of psychological discussion of the arts, the status of gestalt psychology, the various sense modalities and media, and developmental issues. By proceeding in a direction from general to specific and then proceeding through dynamic processes as they unfold in time (creativity, development, etc. ), the book discovers an unappreciated unity to Arnheims thinking. Not content to simply summarize Arnheims theory, however, Arnheim, Art, and Gestalt goes on to enrich (and occasionally question) Arnheims findings with the contemporary results of gestalt-theoretical research from around the world, but especially in Italy and Germany. The result is a workable overview of the psychology of art with bridges built to contemporary research, making Arnheims approach living and sustainable. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
