Reviews

It is one of my personal favorite books. This is certainly for anyone who states there has not been a worth studying. I found out this ebook from my mom and dad advised this pdf to learn.

(Delphine Lebsack)

NEW AFRICAN CINEMA (PAPERBACK)

Rutgers University Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. New African Cinema examines the pressing social, cultural, economic, and historical issues explored by African filmmakers from the early post-colonial years into the new millennium. Offering an overview of the development of postcolonial African cinema since the 1960s, Valerie K. Orlando highlights the variations in content and themes that reflect the socio-cultural and political environments of filmmakers and the cultures they depict in their films. Orlando illuminates the diverse themes evident in the works of filmmakers such as Ousmane Sembene s *Ceddo* (Senegal, 1977), Sarah Maldoror s *Sambizanga* (Angola, 1972), Assia Djebar s *La Noubas des femmes de Mont Chenoua* (*The Circle of women of Mount Chenoua*, Algeria, 1978), Zeze Gamboa s *The Hero* (Angola, 2004) and Abderrahmane Sissako s *Timbuktu* (Mauritania, 2014), among others. Orlando also considers the influence of major African film schools and their traditions, as well as European and American influences on the marketing and distribution of African film. For those familiar with the polemics of African film, or new to them, Orlando offers a cogent analytical approach that is engaging.
