

Naked Metamorphosis (Paperback)

By Eric Mays

Eraserhead Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Kafka's Shakespearean Tragedy! All the world's a stage, and Franz Kafka wants to direct! The absurdist has got his hot little hands on the Bard's greatest work - Hamlet. Unfortunately, William S. Burroughs wants to direct too! Perhaps, George W. Bush wants a piece of the action as well. One thing these literary creators haven't taken into consideration, though, are the characters. Horatio, Hamlet's college roommate, has reached the end of his rope trying to determine whether the piece is a tragedy or a comedy. Hamlet has dropped into a world of hallucinogens and drugs, and thinks he may be turning into a cockroach. And after the declaration of a ghost in Elsinore, Claudius has declared a War on Terrors! What's it all about? And why is Puck around? These questions, and many more, will be answered in a bawdy, bizarre tale of Shakespearean proportions - complete with mistaken identity, ghosts, and true love lost.
