Brand New Book ***** Print on Demand *****.We all have that one person who we know are meant just for us. The one who we tell our inner most secrets to, share our joy, every triumph, every loss, every fail, with. That doesn't always mean that we get to be with them, but it is a driving force that keeps us pressing forward, trying to conquer the unconquerable, always searching for ways to beat the odds. For Braxton Caulder, that person is Allie Johnson. Growing up as best friends, Braxton never thought they would find themselves so far apart, but that's exactly what happens when Allie decides to go to college in California, leaving Alabama and Braxton behind. Two young adults trying to find their way in life. Braxton knows what he wants, to be an architect like his dad, and Allie. Allie has no idea of how Braxton feels about her, he knows she wants more out of life in bigger and better places than their small town. He doesn't want to risk their friendship and so he clings to the hope that one day she'll realize how deep his feelings run. Until then, he can only be there for her. Allie Johnson has been dreaming of getting her Biomedical Engineer degree with a focus on Chemistry Research, so that she can work on finding a cure for Lupus. Her best friend, Braxton, lost his mother due to complications when he was ten. Allie wants to make a difference and she knows that for her, Gardendale, Alabama isn't where she needs to be. She attends college in California at USC, two thousand miles away from home. When trouble finds her, beats...
