Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

Dover Publications Inc., United States, 2000. Paperback. Condition: New. Language: English . Brand New Book. What little creature is hovering over a lovely blossom? And which animal is tall enough to munch on leaves at the very top of a tree? You ll find out in this fun-filled activity book. Just follow the numbered dots to complete pictures of 26 different animals, including a kangaroo with a baby in her pouch, a monkey hanging by its tail from the branch of a tree, and a snake slithering across desert sand. Once you ve connected the dots in each picture, you can have even more fun by coloring the large, full-page illustrations.
