

The Sensitive Human: Making Sense of Toxins, Allergies and Poisons (Paperback)

By Viola Beacom

Analogy Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The sudden onset of chronic tinnitus sets the author off on a journey which takes the reader in hot pursuit - underneath sinks, delving into medicine cupboards, frantically searching through make-up boxes, rooting out vegetables and racing through strawberry fields, on a meandering trail of shocking misfortune. What the author discovers will horrify and surprise you. What s in this book is what s in your house, and it s bad for you. The Sensitive Human is a wake-up call with warnings reminiscent of Rachel Carson s Silent Spring. In 1962 Carson wrote that the elimination of all unnecessary chemical carcinogens would greatly mitigate the threat that one in every four will develop cancer. This projection now stands at one in every two people in the UK developing cancer at some point in their lives. The author shares her journey to finding the root cause and recovering from an affliction for which she was told by health professionals there was no miracle cure. An inspiring and informative read for anyone seeking to recover optimum health, whatever the symptoms of malaise may be. While...

Reviews

The ideal ebook i actually read through. It really is written in simple words and phrases and not confusing. Its been written in an remarkably simple way and it is just after i finished reading this ebook where in fact modified me, affect the way i think.

-- Alice Cremin

Completely essential go through ebook. It can be written in basic phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Jessy Collier
