Trafford Publishing, Canada, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book depicts the psychic journey of the author through life, starting with his first experience of witnessing death at the age of five. This experience was followed by out of body astral travel and transference of matter through time and space, and development of astral vision during sporting events. The book includes: His father s death and return from the dead. Sight of his spirit guide and his guardian angel. Details of psychic experiences from British police files. Contacts with UFO s plus details of sightings dating back thousands of years. The 1244 Cathar Prophecy, and the cause and effect law affecting countries and governments. Do vampires really exist? Psychic attacks that happened near a North London Victorian Cemetery. The philosophy of accidents and why they occur? Strange coincidences. Why nations and governments destroy themselves? The problems with organized religions, and does prayer work? Psychological analysis using astrology, palmistry and the tarot. Astro analysis of the death of Princess Diana: Was it an accident or was she assassinated? Astro analysis of the European Common Market: Will it survive or will it crash? Astro details of the greatest racehorse that ever lived name Eclipse, and a viable system to gain financially from horse racing. The ancient Tibetan system of Tumo enabling a practitioner to keep warm in very cold conditions, and finally, details of a modern day witch-hunt.
